

Central Library & R.B. Tullis Library

Computer Class Descriptions

Microsoft Word 2013 Part 3 - This class is the advanced portion of the Microsoft® Word class, providing you with experience creating a Table of Contents using multiple options, Footnotes and Endnotes.

Tech Talk - Have technology questions? Ask during Tech Talk!

Homeschool Computer Classes Meeting- Come to **one** of the parent meeting and learn about the classes offered this school year.

New Caney ISD School Registration Help - Join us in the computer lab for help with completing your child's online school registration.

Homeschool Computer Classes - Please note the location, grade level and time. **Grades K-2** will work on Keyboarding, using the mouse, beginning Microsoft Word, and beginning Microsoft Excel. **Grades 3-5** will focus on keyboarding, Microsoft Word, Excel and PowerPoint at an intermediate level.

Grades 6-8 and Tech Apps 1 for Grades 9-12 will focus primarily on Microsoft Word, Excel, PowerPoint through advanced levels, and safe internet practices. **Tech Apps 2 for grades 9-12** will focus on internet safety, computer coding, website design, and robotics. Class sizes are limited to 14 at the Tullis branch and 18 at the Central branch. You can register at one of the information meetings or contact Melissa McNeill via the email below or at 281-577-8968 Ext 6113. (Homeschool classes start Aug. 25)
