Central Library & R.B. Tullis Library Computer Classes

Computer Class Descriptions

Keyboarding - Do you want to type without looking at the keyboard? Do you want to increase your typing speed? This class will help.

Creating a Resume - This class provides insight into creating a resume. The steps include the different formats (chronological, functional, combination and targeted), what to include in your resume and proofreading your finished resume.

Email Basics - Learn how to create an email account, send and reply to emails and much more.

Library to Go - Get ready for those summer vacations and take our library with you. Learn how to download movies, music, audio books, e-books, and comics to your person device through the library.

Tech Talk - Have technology questions? Ask during Tech Talk!
