Libby App

Libby is a new mobile app from OverDrive for accessing your library's OverDrive catalog. It is available in the **Google Play Store** or the **Apple App Store**. It can also be used to deliver items to a Kindle device.

*Libby is an alternative to the original OverDrive app. You can continue to use the original app if you prefer. The advantage of Libby is its simple, user-friendly design.

Find Your Library

When you first open the app, you will be prompted to find your library.

- Look for Montgomery County Memorial Library System.
- You will see the name of our catalog: Houston Area Digital Media Catalog.
