Who Are We and What Do We Do?

We are a non-profit organization that supports the R. B. Tullis Branch Library of the Montgomery County Memorial Library System. Our contributions allow the library to offer programs and resources that are not funded by the county budget.

We contribute money to help purchase books, equipment, and supplies for all departments within the library.

We support literacy by helping fund the Summer Reading Program.

We generate revenue through bi-annual book sales and the proceeds from the Book Room. The Book Room is open during library hours and is located inside the entrance to the library lobby.

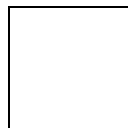

Membership dues, contributions and grants help provide educational and informational activities and programs for children, teens and adults.
